

**CSE471 : System Analysis and Design  
Lab Assignment on Figma**

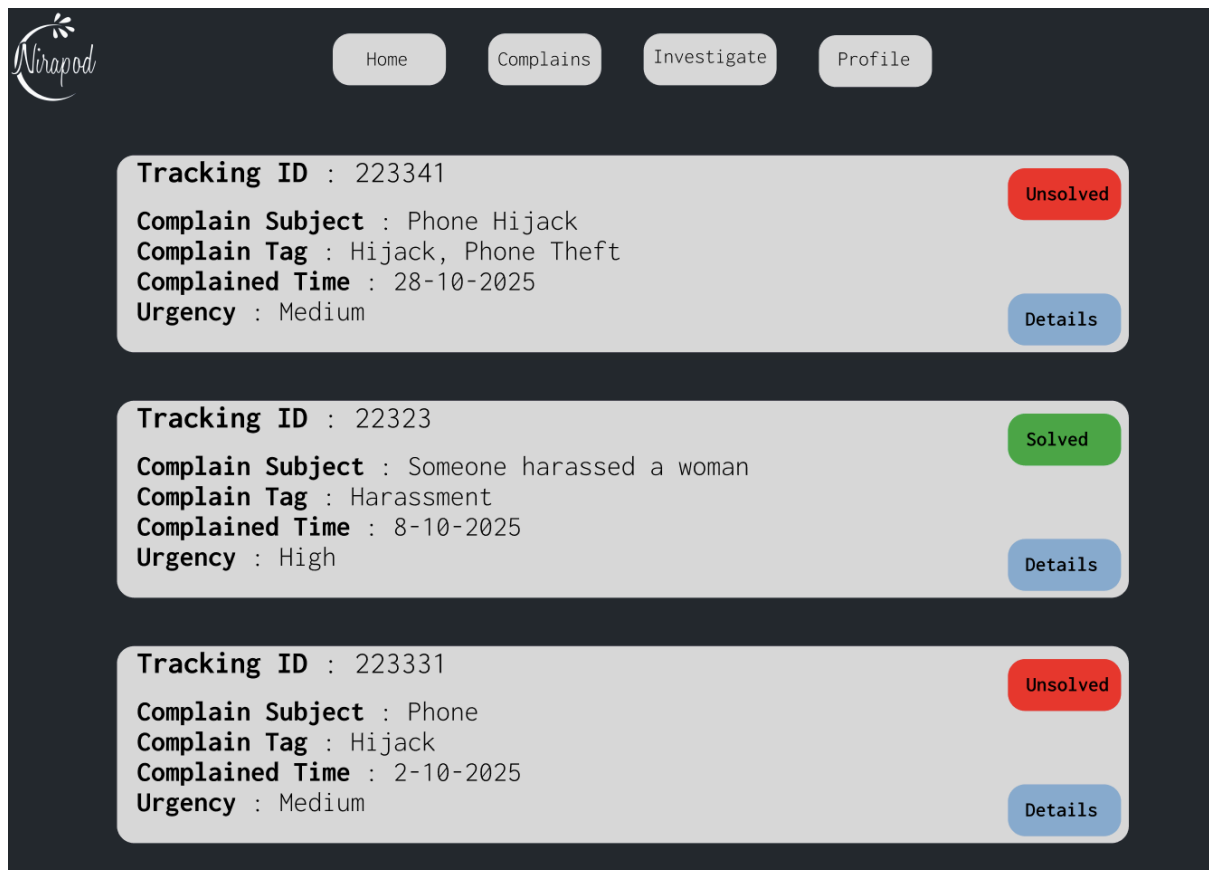

**Project Title : Nirapod (Fast response service)  
Group Number : 08**

**Submitted by : Saima Sobahan  
Student ID : 22101109  
Section: 09**

**Date : 26 March, 2025**

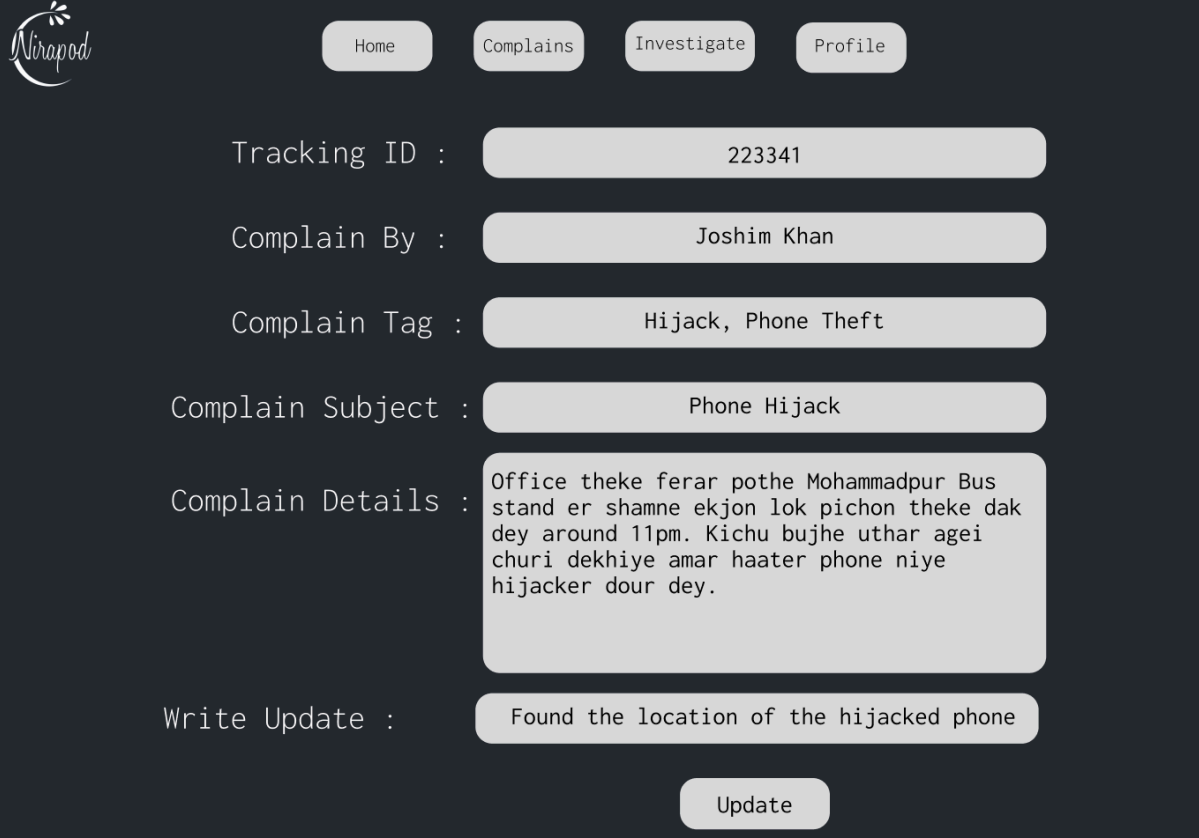

## Feature- 01: Police can track the complains

Here, Police can track the complains by pressing the complains button. They will be able to know the ID, Subject, Tag, Time and Urgency of the complain. Using the details button, it will take them to feature 2.

## **Feature- 02: Police can see the individual complain details & update the progress to solve the crime**

Here, Police can see all the details of an individual complain. They can update if the case is solved or in progress.

The screenshot shows a web application interface for police complaint tracking. At the top left is the 'Nirapod' logo. A navigation bar contains four buttons: 'Home', 'Complains', 'Investigate', and 'Profile'. The 'Complains' button is highlighted. Below the navigation bar, the interface displays the details of a specific complaint. The fields are as follows:

- Tracking ID : 223341
- Complain By : Joshim Khan
- Complain Tag : Hijack, Phone Theft
- Complain Subject : Phone Hijack
- Complain Details : Office theke ferar pothe Mohammadpur Bus stand er shamne ekjon lok pichon theke dak dey around 11pm. Kichu bujhe uthar agei churi dekhiye amar haater phone niye hijacker dour dey.
- Write Update : Found the location of the hijacked phone

An 'Update' button is located at the bottom right of the form.

### **Feature- 03: Pressing the Investigate Button, Police can search for any person/criminal**

Here, Police can search for a person with their name & NID number and after pressing the search button, the details of that person will be displayed in the details box.

The screenshot displays the Nirapod application interface. At the top, there is a navigation bar with four buttons: Home, Complains, Investigate, and Profile. Below the navigation bar, there is a search section. It includes a label 'Looking for :' followed by a text input field containing 'Shahrukh Khan'. To the right of this field is a label 'Address :'. Below this, there is a label 'NID :' followed by a text input field containing '235455555555'. To the right of this field is a 'Search' button. Below the search section, there is a 'Details :' label. To the right of this label is a details box. The details box contains a profile picture of a man, a name field 'Shahrukh Khan', and several fields for personal information: Address (Banani), Phone (Banani), NID (235455555555), and E-mail (shahrukh@gmail.com).
